to benefit the residents of Lufkin State Supported Living Center

Lufkin State Supported Living Center

The 24-hour residential facility serves about 35 people ages 12-88. The Center provides campus-based services and support to people with intellectual and developmental disabilities.

The non-profit organization provides support to the Lufkin State Supported Living Center in tangible ways through public education, solicitation, fundraising and grant writing.

The holiday fundraiser assists families, volunteers, friends and donors with the opportunity to make the holiday season meaningful.

How to get involved

\$ Financial donations help the non-profit purchase gifts, provide holiday décor and host festive activities. Only unrestricted financial donations are accepted during the holiday season.

📦 Gifts can be donated generally or for specific residents. Gift donations should be new, small (about the size of a shoe box) and unwrapped so they can be inventoried. It is requested that all in-kind donations are received by December 11th.

🎁 **Please send unwrapped gifts.**
Contact Community Relations and sign up to wrap gifts, volunteer for Christmas Eve Delivery or to support a festive event.

🔄 Surplus donations and financial contributions received to support Santa's Workshop may be used to benefit the residents throughout the year.
